

Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in conjunction therewith. The user should thoroughly review the material safety data sheet for this product and follow recommendations for mixing, application, disposal, and the use of any applicable personal protective equipment (PPE). The manufacturer, distributor, and seller of this product warrant that the chemical contained herein conforms to its standard specifications. Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. The manufacturer and seller make no representation or warranty, including merchantability or any other kind, expressed or implied. The foregoing may not be altered except by written agreement by officers of the manufacturer.

Directions:

For use as a stain removing solution:

1. Always pre-test all cleaning solutions in an inconspicuous area for colorfastness.
2. Carefully mix 2 powder oz. of CSR into 1 qt. of hot water into a trigger sprayer. Read side panel for cautions. Avoid inhaling powder or vapor.
3. Make certain CSR is thoroughly mixed.
4. Saturate spray stained area with mixed solution.
5. Allow 2-5 minutes of dwell time
6. If trace amount of stain remains after drying, repeat application.
7. After stain removal, vacuum or extract textile.
8. For faster drying, especially in humid environments, consider using an axial, centrifugal, or downdraft air mover.

Browning prevention additive for upholstery cleaning:

1. Mix 1 ounce of CSR with each mixed gallon of HydraMaster FabricMaster Fine Fabric Prespray.
2. Always pre-test all cleaning solutions in an inconspicuous area for colorfastness.
3. Proceed to clean upholstery in accordance with industry standards for care.

Precautions and First Aid:

Keep out of reach of children. Contact may cause skin and eye irritation. Wear gloves and safety glasses when handling to avoid any contact with eyes and contact with skin in concentrate form. Use only in well ventilated areas. Avoid inhalation of powder when mixing solution. Avoid inhalation of mist when applying to the affected area. Mix and use only in well ventilated areas. In case of eye contact, immediately flush with plenty of water. If irritation persists, seek medical attention. In case of skin irritation, flush with plenty of water. If ingested, drink large quantities of water and seek medical attention. Remove to fresh air in case of inhalation.

Contents: Sodium Metabisulfite (CAS#7631-10-5); Proprietary penetration additives

If for any reason you are not thrilled with the performance of CSR return it to your distributor and we'll get you a product that does.
