RustBreak™

Rust Removing Spotting Solution

RustBreak is a safer way to remove crusted and stubborn rust stains that can appear on carpet and upholstery. It works as fast and effectively as other harsh acid rust removers, without the risk and exposure. It has a controlled acid pH so that it does not need a neutralizing solution after use, simply a clear water extraction.

If for any reason you are not thrilled with the performance of **RustBreak** return it to your distributor and we'll get you a product that does.

Net Contents:
 One U.S. Quart (.95 liters)

Directions:

1. Always pre-test all cleaning solutions in an inconspicuous area on the surface being treated for colorfastness prior to application.
2. Apply solution full strength liberally to affected area. Wear protective gloves and work solution into rust stain with spotting spatula.
3. Allow to dwell for 1 to 2 minutes, although you should see some effect almost immediately.
4. Thoroughly extract area with clear water.

Instrucciones:

1. Siempre pruebe todos los líquidos limpiadores para las lentillas en un área discreta en la superficie tratada para el de color resistente antes de la aplicación.
2. Aplique la solución fuerza llena liberalmente a la zona afectada. Lleve guantes protectores y solución de trabajo en la mancha de herrumbre con la espátula que se mancha.
3. Permita morar durante 1 a 2 minutos, aunque usted debiera ver algún efecto casi inmediatamente.
4. A fondo extraiga el área con el agua pura.

Contents: ammonium hydrogen fluoride (1341-49-7), glycol ether DPM (34590-94-8), alcohol ethoxylate (68954-91-1)

Important notice to purchaser: Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in conjunction therewith. The user should thoroughly review the material safety data sheet for this product and follow recommendations for mixing, application, disposal, and the use of any applicable personal protective equipment (PPE). The manufacturer, distributor, and seller of this product warrant that the chemical contained herein conforms to its standard specifications. Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. The manufacturer and seller make no representation or warranty, including merchantability or any other kind, expressed or implied. The foregoing may not be altered except by written agreement by officers of the manufacturer.
