

What We Bring to Every Job:

Our training and certification assure that when you hire our company to professionally deep clean your carpet, upholstery, rugs, or hard surfaces, here is what we bring to every job:

Credibility

Our deep cleaning services extend the life of your flooring investment and provide a healthier indoor environment while we help restore confidence, order, and peace to your facility.

Technical Expertise

Our participation in measured and demonstrated training and certification programs means we know what we are doing and that we have done it before.

Industry Networking

We attend industry events and training on a regular basis, so even when we run into something challenging or new, we can get input from someone who has successfully done it before.

Uniform Delivery of Services

Our work will be completed in accordance with our industry's leading "standard of care" meaning you can count on our very best, every time.

Liaison to Manufacturers of Flooring

We are connected to the companies who make your floors. We know what they recommend, and even more importantly, the requirements they have to keep the performance warranties valid. This keeps your carpet and flooring investment performing the way you wanted it to when you bought it.

We Understand the Cleaning Science Behind What We Do

We know the "why" of the procedure, and if someone does not have your best interests in mind, we stand behind you with the facts. We hear about the latest developments in cleaning science when they are first discovered.

Camaraderie

We love what we do, the industry we are in, and the professionals who are in it along with us. People who love what they do naturally do a better job.

A Commitment to Continued Learning and Education

'As iron sharpens iron, so one person sharpens another.' We keep up to date with the latest technology, cleaning science, and if there is a better way to do something, our company will be one of the first to know and implement it.
